

I'll Change My Style

Delbert McClinton

I'll change my ways
Each night and every day
If there's something 'bout my lovin'
That don't please you,
Tell me, please tell me
And I'll change that, too

I'll change my talk
I'll even change my walk
If there's something 'bout my kisses
That don't please you,
Tell me my darling
And I'll change that, too

I'll change my style
I'll even change my smile
If the beat of my heartbeat
Is too slow for you,
Tell me my darling
And I'll change that, too
