

# I'm Talking About You

Delbert McClinton

Let me tell you 'bout a girl I know  
I met her walkin' down a uptown street  
She looked so fine, you know I wish she was mine  
I get shook up everytime we meet

I'm talking 'bout you  
Nobody but you  
Whoa, I do mean you  
I'm just trying to get a message through

Let me tell you about a girl I know  
I tell ya, now she looks so good  
Got so much skill and such a beautiful build  
She ought to be somewhere in Hollywood

I'm talking about you  
Nobody but you  
Come on give me a clue  
So I can get a message through

Let me tell you about a girl I know  
She's sittin here right by my side  
Lovely indeed, that's why I asked her if she  
Promises someday she would be my bride

Talkin' 'bout you  
Nobody but you  
Come on give me a clue  
So I can get a message to you

Talkin' 'bout you  
Talkin' 'bout you  
I do mean you  
I just got to get a message through, yes I do
