

It's Love Baby (24 Hours A Day)

Delbert McClinton

Baby, I don't know why I love you
I don't know why I feel this way
Baby ,I don't know why I love you
I don't know why I feel this way
I want to love, love, love you baby,
24 hours of a day

Oh, honey, my days and nights are lonely
I need your love to keep me gay
Um hum
Oh, honey, my days and nights are lonely
I need your love to keep me gay
Oh, yes I do

I want to love, love, love you darlin'
24 hours of a day
Well, from five o'clock in the early morning,
To six o'clock in the early evening,
I want to squeeze ya'
With all of my might,
I want to love you baby,
'til the broad daylight

Love, love, love, love you baby
24 hours of a day

Well baby, I don't know why I love you
I don't know why I feel this way
Now, Lord knows
Well baby, I don't know why I love you
I don't know why I feel this way

I want to love, love, love you baby,
24 hours of a day
