

## Leap Of Faith

Delbert McClinton

After my baby quit me  
I wouldn't even go outside  
And when my friends tried to fix me up  
I'd crawl up underneath the bed and hide

I knew I was never gonna change my luck  
Till I got my courage up enough to try  
And when I went ahead and spread my wings  
I found out I could fly

Sometimes all it takes is a leap of faith, oh yes it is baby  
Baby sometimes all it takes is a leap of faith

I had no way of knowin'  
What would come from our first kiss  
It scares me now just to think about  
The good love I might have missed

Now I was just tryin' to find some help  
I was tryin' to see myself as a survivor  
I had to rise on up on the ashes of love  
And jump back into the fire

Sometimes all it takes is a leap of faith, I know you know it b  
aby  
Baby sometimes all it takes is a leap of faith

Sometimes you've got to believe  
Before you see the proof  
You can wait a lifetime for a moment of truth  
Sometimes all it takes is a leap of faith

Sometimes you've got to believe before you see the proof  
You can wait a lifetime for a moment of truth

Sometimes all it takes, baby sometimes all it takes  
Sometimes all it takes is a leap of faith, oh yeah
