## **Mary Lou**

I'm gonna tell you a story
'Bout ol' Mary Lou
I mean the kind of a girl
That make a fool of you

She make a young man old And an old man pay The way she took my money Was a crying shame

Mary Lou, Mary Lou
She took my watch and chain
Mary Lou, Mary Lou
She took my diamond ring
She took the keys to my Cadillac car
Jumped in my Caddy and she drove afar

Put a detective On her trail The post office thought They'd chase her by the mail

She got picked up And then was put in jail Stroked the judge Just to go her bail

Mary Lou, Mary Lou
She took my watch and chain
Mary Lou, Mary Lou
She took my diamond ring
She took the keys to my Cadillac car
Jumped in my Caddy and she drove afar

She left Detroit
To go to Kalamazoo
Made her a fortune
Out of fools like you

Met her a rich man
Who was married and had some kids
Stroked that cat
Until he flipped his lid

Mary Lou, Mary Lou
She took my watch and chain
Mary Lou, Mary Lou
She took my diamond ring
She took the keys to my Cadillac car
Jumped in my Caddy and she drove afar

She came back into town About a week ago Told me she's sorry She had hurt me so

I had a '65 Ford

And a two dollar bill
The way she took that
Lord, it gave me a thrill

Mary Lou
She took my watch and chain
Mary Lou, Mary Lou
She took my diamond ring
She took the keys to my Cadillac car
Jumped in my Caddy and she drove afar
