

My Baby's Lovin'

Delbert McClinton

I got a woman that's in love with me
She gives me lovin' like it's 'sposed to be
She's wide open, she don't hold back
She's gonna get me with a heart attack
If I kills me I don't mind
I'll be smilin' all the while I'm dyin'

My baby's lovin' is oh so fine
My baby's lovin' is oh so fine

I love the way she can't let me be
You know she starts kissin' talkin' sweet to me
She's walkin' around in them high-heeled shoes
She got me doin' anything that she wants me to
And if it kills me I don't mind
I'll be smilin' all the while I'm dyin'
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine

The way she' dressed it just drives me wild
My baby's got a unique style
She got me eatin' from the palm of her hand
She makes me feel
You know she makes me feel

She makes me feel like a full grown man

If it kills me I don't mind
I'll be smilin' all the while I'm dyin'

I got a woman that's in love with me
She give it to me like it's 'sposed to be
She's wide open she don't hold back
You know she's gonna get me with a heart attack
If it kills me I don't mind
I'll be smilin' all the while I'm dyin'

My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
