

The Sun Medley

Delbert McClinton

Train to ride, sixteen coaches long
Train to ride, sixteen coaches long
Well, that long black train's
Got my baby gone

Train, train, rollin' round the bend
Train, train, rollin' round, round the bend
Well, it took my baby
But it never will again
Never will again

My Baby Left Me

Yeah, my baby left me
Never said a word
Was it something I done or something that she heard

My baby left me
Yes, she left me
Whoa, my baby left me
Never said a word

Well, I stand at my window, I wring my hands and cry
Was it something I done that she said goodbye

My baby left me
Yeah, she left me
Yes, my baby left me
Never said a word

That's All Right Mama

Well, that's all right, now, mama
That's all right for you
That's all right, now, mama
Anyway you wanna do

That's all right,
Yeah, that's all right
That's all right, now, mama
Anyway you do

Well, my mama she done told me
Papa done told me too
Son, that gal you're fooling with
She ain't no good for you

But that's all right
That's all right
That's all right now, mama
Anyway you do

Hey dee dee dee dee dee
Dee dee dee dee
I need your loving
Yeah, that's all right
That's all right, now, mama

Anyway you do
Said that's all right, now, mama
Anyway you do
Said that's all right, now, mama
Anyway you do
Alright
