

# Who's Foolin' Who

Delbert McClinton

I went and bought a ticket on a late night flight  
Had to get home to my baby last night  
Just about the time I put the key in the door  
I heard somebody run across my floor  
Who's foolin' who  
Honey, what you tryin' to do  
I don't like what I'm lookin' at  
'Cause what I see, I'm seein' through

There's a fire in the fireplace in my den  
Two full glasses and a bottle of gin  
Late night makeup on her face  
Cigarette smoke all over the place  
Who's foolin' who  
Honey, what you tryin' to do  
I don't like what I'm lookin' at  
What I see, I'm seein' through

You're kind of in a bad position  
So, baby, I guess we're through  
I'd be anything that you want me to be  
But I won't be a fool for you

Maybe if you hurry you can catch that man  
Runnin' down the street with his shoes in his hand  
Don't start cryin' them poor me blues  
Give it up, baby, 'cause it ain't no use

Who's foolin' who  
Honey, what you tryin' to do  
I don't like what I'm lookin' at  
'Cause what I see, I'm seein' through  
Tell me who's foolin' who  
Honey, what you tryin' to do  
I don't like what I'm lookin' at  
'Cause what I see, I'm seein' through
