

Orbit of Me

Delerium

And I did fall in the orbit of
Everything I'm always dreaming of
Catching Stupid's arrows in my teeth
Seeing what I'm not supposed to see

You belong to me and I belong to you now
All I'm offering isn't an awful way out

Interesting how you broke my wings
Paralysed my lips so I can't sing
Pinning arms and legs, my feet and hands
Catch me if you can, you can, you can

Oh I belong to you and you belong to me now
You belong to me and I belong to you now
All I'm offering isn't an awful way out
You belong to me and I belong to you now
All I'm offering isn't an awful way out
You belong to me and I belong to you now
What I'm offering isn't an awful way out...
