

## Intimate Stranger

Delirious?

I lift my eyes to you  
Eyes that have seen a thing or two  
Who is this stranger in my life?  
I lift my hands to you  
Hands that have carried what is true  
Intimate stranger be my life  
Jesus I love you  
Jesus I adore you  
Jesus you still have my affection  
And my song will be, "I love you"  
I lift my voice to you  
Lips that have cried a prayer or two  
Beautiful stranger fill my life  
I lift up my heart in praise to  
The Saviour who's death made all things new  
Intimate stranger only you
