## **King of Fools**

**Delirious?** 

Waiting for you Nothing in this world can bring me Peace and madness They've become the very best of friends Walking with you Blindly follow out upon the Water runs down You've become the very best of friends I'll live for you and try to be the king of fools I'll long for you and walk before the king of all Joy has found me Living life without you would be Hell or heaven Soon we'll find the greatest king of fools I'll live for you and try to be the king of fools I'll long just to walk before the king of fools
