Love Is a Miracle

Delirious?

Love, pulled me up off my knees
Took all my disease
You've always been there for me
Love put shoes on my feet
Took a song made it sweet
You always had ears for me
[pre-chorus]
You've given me everything,
Love of my life
Forever I'll sing that
[Chorus]
LOVE IS A MIRACLE OH OH,
LOVE IS A MIRACLE
YOUR MERCY CATCHES ME WHEN I FALL
LOVE IS SUCH A MIRACLE
Love is where you abide
It sees every side
It crosses the great divide
Love took hold of my hand
And taught me to walk
Its time now to make a stand
Pre-chorus
Chorus x2
