

Singer's Song

Delirious?

Come on all us singers sing that Jesus Christ is Lord (4x)
As your people, Lord, we now stand before Your throne
A sacrifice of praise will be our song
As your singers, Lord, we will shout that "He is good
For His love endures forever"
Come on all us singers sing that Jesus Christ is Lord (4x)
As your people, Lord, we will sing with thankfulness
We want our lives to be a song of praise
Banners we will wave to proclaim that "He is good
For His love endures forever"
Come on all us dancers dance that Jesus Christ is Lord (4x)
Help us Lord to realise that our lips were made for praising You
Not for bringing others down, but for boasting of Your love
Show us, Lord, that when we meet we have our feet on Holy ground
Come and purify our lives, forgive us for the wrong we've done
We desire to see Your face, but teach us first to fear You, Lord
Let us not presume your grace, for the sin we bring is our disgrace
In your mercy send Your power, demons go in Jesus Name
Heal the sick and save the lost, reveal the power of the cross
Open up the Heavens, Lord (5x)
Let us sing the song that Jesus saves us
