

## Stealing Time

Delirious?

I need a lonely day with you, sometime.  
I need to get away with you, sometime.  
I've got a crowd of things going on, in my mind.  
I need a lonely day with you, sometime.  
Sometimes, I never get there, sometimes.  
Stealing time, Am I forever.  
Stealing time to be with you.  
I remember love's first days,  
Precious moments, we had all the time in the world.  
Still You thrill me, still You heal me.  
Still need a lonely day with you, sometime.  
Sometimes, I never get there.  
Sometimes, can I ever get there?  
This time, will I ever really get there?
