Delirious?

I need a lonely day with you, sometime.

I need to get away with you, sometime.

I've got a crowd of things going on, in my mind.

I need a lonely day with you, sometime.

Sometimes, I never get there, sometimes.

Stealing time, Am I forever.

Stealing time to be with you.

I remember love's first days,

Precious moments, we had all the time in the world.

Still You thrill me, still You heal me.

Still need a lonely day with you, sometime.

Sometimes, I never get there.

Sometimes, can I ever get there?

This time, will I ever really get there?
