We Give You Praise

When the road is rough and steep And it leads a heart to weep There's an ocean of tears That you've caught through the years But we're not stopping here On this long and winding street Will you guide these weary feet Every step that we take With our hearts full of faith And we're not stopping here Together we are stronger so put your hand in mine We give you praise We give you praise And the king of all the earth Has saved us from ourselves We give you praise Through the avenues of time Here you meet me where I am We walk with glory and pain And you've broken the chains So there's no stopping here We sing glory In the darkness there you shine Let it shine let it shine let it shine
