

Eyes Open

Delorentos

A moment tenderness,
a life led up to this I feel
A life that takes too much,
you'd think you'd had enough.

A gentle tilt of your head,
the sad and sweet of your scent

I'll see you there tonight

Yeah, yeah
Yeah, yeah I'll see you there tonight
I'll see you there tonight

A siren sounds aloud,
a silence rips the ground between,
are you not right for me?
I thought you were right for me.

The fear of letting go,
I fear that we're not in control

I'll see you there tonight

Yeah, yeah
Yeah, yeah I'll see you there tonight
I'll see you there tonight

Yeah, yeah
Yeah, yeah I'll see you there tonight
I'll see you there tonight

Eyes open
Eyes open
Eyes open
Eyes open wide

Yeah, yeah
Yeah, yeah I'll see you there tonight
I'll see you there tonight
I'll see you there tonight.
