

# Hands Off The Boy

Delorentos

So no one told you we were through  
I'm sure I mentioned it to you  
Yeah, I'm sure I told you.

And all these people aren't your friends  
they're just leeching off you  
and when all this shallowness ends  
don't say "I told you".

I can't help feeling, that I don't know what's happening.

Hands off the boy  
Hands off the boy  
take your hands off the boy.

Hands off the boy  
Hands off the boy  
take your hands off the boy.

This cold concoction you've become  
all sneer and sinew  
and when all this is said and done  
don't say "I told you".

I can't help feeling that I don't know what's happening.

Hands off the boy  
Hands off the boy  
take your hands off the boy.

Hands off the boy  
Hands off the boy  
take your hands off the boy.

Hands off the boy  
Hands off the boy  
take your hands off the boy.

Hands off the boy  
take your hands off the boy  
take your hands off the boy.
