

# Can I Change Me Mind

Delroy Wilson

[Incomprehensible] baby

Aww, she didn't bat an eye  
As I packed my bags to leave  
Thought she would start to cry, baby  
Sit around my room and weep, oh yeah

The young girl, she fooled me this time, yeah  
She act like I was the last thing on her mind  
And I would like to start all over again  
Baby, can I change my mind, yeah

As I took the steps towards the open door  
Knowing all the time, Lord, I didn't wanna go  
She didn't give me no sign  
Nothing that will make me change my mind  
And I would like to start all over again

Baby, can I change, I'll change my mind  
Baby, how can I chain you  
Can I, can I change, I'll change my mind, yeah

I played my games many times before  
But people let me tell y'all  
I never reached your door  
Do you believe me?

The wind is at her bed tonight  
I keep lookin' back but my baby was not in sight  
I would like to start all over again  
Pretty baby, can I change, I'll change my mind
