

I Want To Love You

Delroy Wilson

I want to love you, love you, baby, 'til I can't
Love you no more
I want to kiss you, kiss you, darling, 'til I can't
Kiss you no more

I want to love, love, love, love
Love you, baby
I want to love, love, love, love

I want to squeeze you, squeeze you, baby, 'til I can't
Squeeze you no more
I want to rock you, rock you, darling, 'til I can't
Rock you no more

I want to love, love, love, love
Love you
I want to love, love, love, love
Love you like I've never loved before

I want to love you, love you, baby, 'til I can't
Love you no more
I want to squeeze you, squeeze you, darling, 'til I can't
Squeeze you no more

I want to love, love, love, love
Baby
I want to love, love, love, love
Love you like I've never loved before

I want to squeeze you, squeeze you, baby, 'til I can't
Squeeze you no more
I want to hold you, hold you, darling, 'til I can't
Hold you no more

I want to love, love, love, love
Alright
I want to love, love, love, love
Love you like I've never loved before

I can feel this so deep down in me, alright
I tell you how much I love you, darling
