

I Believe in a Thing Called Love

Delta Goodrem

Can't explain all the feelings that you're making me feel
My heart's in overdrive and you're behind the steering wheel

Touching you, touching me
Touching you, God, you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking till the sun goes down
I believe in a thing called love

I wanna kiss you every minute, every hour, every day
You got me in a spin but everything is okay

Touching you, touching me
Touching you cause you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking till the sun goes down
I believe in a thing called love

Touching you, touching me
Touching you good, you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking till the sun goes down
I believe in a thing called love
I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking till the sun goes down
I believe in a thing called love
