

# Just Call

Delta Goodrem

When the rain is pouring, flooding at your feet  
And better days feel far behind  
When the sun is hiding rays of light you need  
And the clouds, they fill your mind  
When the fire in your soul is feeling cold  
And the lights burn out, I'll be your flame

Just call my name and I'll be there  
I'll be next to you soon as I can  
When you're down and out and your heart's in doubt  
Don't know what to do, I'll be there with you

And my love said  
Ay ay ay ay ay ya  
Ay ay ay ay ay ya  
I will be here just call my name  
And my love said  
Ay ay ay ay ay ya  
Ay ay ay ay ay ya  
I will be here just call my name

When the mountain feels too high for you to climb  
And you can't breathe, I'll see what's near  
When the night has gone to dark to see the stars  
And you can't wish cause it's out of reach

Just call my name and I'll be there  
I'll be next to you soon as I can  
When you're down and out and your heart's in doubt  
Don't know what to do, I'll be there with you

And my love said  
Ay ay ay ay ay ya  
Ay ay ay ay ay ya  
I will be here just call my name  
And my love said  
Ay ay ay ay ay ya  
Ay ay ay ay ay ya  
I will be here just call my name

Just call my name and I'll be there  
I'll be next to you soon as I can  
When you're down and out and your heart's in doubt  
Don't know what to do, I'll be there with you

You can spend your days living like you have lost  
Or you can change, rewrite the page  
We could set the world on fire for the day  
I'll be your flame, I will be your flame

Just call my name and I'll be there  
I'll be next to you soon as I can  
When you're down and out and your heart's in doubt  
Don't know what to do, I'll be there with you

And my love said  
Ay ay ay ay ay ya

Ay ay ay ay ay ya  
I will be here just call my name  
Yeah  
Ay ay ay ay ay ya  
Ay ay ay ay ay ya  
I will be here just call my name

Just call my name and I'll be there  
I'll be next to you soon as I can  
When you're down and out and your heart's in doubt  
Don't know what to do, I'll be there with you

I will be here, just call my name
