

Take Me Home

Delta Goodrem

It's late, come on
I'm tired but I don't want to sleep
Tonight, I want your body close to mine

I won't need to say I love you
You'll know, you'll know
There's no need to say I want you
You'll know

Take me home, don't wanna spend the night without you
Take me home, all I do is dream about you
Take me home, take me home

Your kiss, your touch
Your hands, I long to feel the rush
Your skin, right now
Is all I'm thinking of

I won't need to say I love you
You'll know, you'll know
There's no need to say I want you
You'll know

Take me home, don't wanna spend the night without you
Take me home, all I do is dream about you
Please, let's go
Take me in you arms and say you'll take me home
Take me home

Don't make me pick, don't make me pick you
I won't need to say I love you
You'll know

Take me home, don't wanna spend the night without you
Take me home, all I do is dream about you
Please, let's go
Take me in you arms and say you'll take me home
Take me home, oh, oh

It's late, come on
I'm tired but I don't want to sleep
