

## Visualise

Delta Goodrem

Visualise winning  
It's all in the mind  
If your head is spinning  
Find a way to make it fly

I can really feel your pain  
It eats into my soul

We can make this together  
You must never surrender  
This is now or never  
Close your eyes and visualise

Visualise swimming  
In the oceans, in the sky  
Go back to the beginning  
To the place where you can fly

Whole lives can get crystallized  
In moments like this

We can make this together  
You must never surrender  
This is now or never  
Close your eyes and visualise  
Oh

I visualise happiness  
A thousand words I can't express  
I visualise happiness  
A part of me won't be suppressed

I visualise laughing hard  
And open up a deck of cards  
Singing 'til the day is through  
I make a call, I know it's you

We can make this together  
You must never surrender  
This is now or never  
Close your eyes and visualise  
And visualise
