

Demons

Delta Heavy

I got this feeling
Feels like a demon

I've got this feeling, repeating in my head
Feels like a demon, just trying do this thing
I've got this feeling, repeating in my head
Feels like a demon, just trying do this thing

I got this feeling
I got this feeling
I got this feeling
Got this feeling
I got this feeling
Got this feeling, feeling, feeling

I've got this feeling, repeating in my head
Feels like a demon, just trying do this thing

I got this feeling
Feels like a demon
I got this feeling
I got this feeling
I got this feeling
Got this feeling
I got this feeling
Got this feeling, feeling, feeling

I've got this feeling, repeating in my head
Feels like a demon, just trying do this thing

Remaining in my head
Feels like a demon, just trying do this thing
