

Get By

Delta Heavy

I wanna hold you
Never be lonely with me by your side,
Say that you want me baby
I got the things you needed to get by

I wanna hold you
Never be lonely with me by your side,
Say that you want me baby
I got the things you needed to get by

I wanna hold you
Never be lonely with me by your side,
Say that you want me baby
I got the things you needed to-to-to

Things

Things you needed to get-get-get-get-get

Things

Things you needed to get by

Things

I-I-I-I-I I wanna hold you
Never be lonely with me by your side,
Say that you want me baby
I got the things you needed to get by

I wanna hold you
Never be lonely with me by your side,
Say that you want me baby
I got the things you needed to get by

I got the things you needed to get by
I got the things you needed to-to-to

Things

Things you needed to get-get-get-get-get

Things

Things you needed to get by

Things

I got the things you needed to get by
