

White Flag

Delta Heavy

One night
One more chance to say I'm sorry
And I can't believe a lie
Say you need me

One night
One more chance to say I'm sorry
And I can't believe a lie
Say you need me
With a white flag
I surrender, I surrender, I surrender

With a white flag
I surrender, I surrender, I surrender, I surrender

One night
One more chance to say I'm sorry
And I can't believe a lie
Say you need me

One night
One more chance to say I'm sorry
And I can't believe a lie
Say you need me

With a white flag
I surrender, I surrender, I surrender

With a white flag
I surrender, I surrender, I surrender, I surrender

One night
One more chance to say I'm sorry

One night
One more chance to say I'm sorry
And I can't believe a lie
Say you need me
