

# Run

Delta Rae

We're gonna rob the banks and feel no shame  
Burn our fingers and change our names  
And I'll tame the roads that can't be tamed  
With you

Then we'll race like falcons to crash and burn  
Learn the lessons we never learned  
If you kiss me harder, someday I'll turn  
To you  
To you

I wanna run to feel again, to be no one  
To run under the stars of Orion  
And all my life I've been burning by the dreams I've had  
Now I want to run  
I want to run

So let's paint our bodies and chase the sky  
The Earth will shake and we'll wonder why  
But if I never know, well, at least I lie  
With you  
With you

I wanna run to feel again, to be no one  
To run under the stars of Orion  
And all my life I've been burning by the dreams I've had  
Now I want to run  
I want to run  
I want to run  
I want to run  
I want to
