

Tellin' The Mind

Delta Spirit

It took the final straw that broke across my back
And as the others watched they all refused to lend a hand

Tellin' the mind, tellin' the mind, tellin' the mind just what
I wanna do
Tellin' the mind, tellin' the mind, tellin' the mind just what
I have to do

I have been taking notes of when you come and when you leave
I sneak out in the night and take everything I need
