

## Tellin' The Mind

**Delta Spirit**

It took the final straw that broke across my back  
And as the others watched they all refused to lend a hand

Tellin' the mind, tellin' the mind, tellin' the mind just what  
I wanna do  
Tellin' the mind, tellin' the mind, tellin' the mind just what  
I have to do

I have been taking notes of when you come and when you leave  
I sneak out in the night and take everything I need
