DELUHI

Sora kaze ga hakobu yobigoe no uzu
Aojiroi no honoo no naka
Umare teha kanata he kie
Yawara kani michibiku

I feel endless fate.
I feel your pain and inside the shadow.
I feel endless fate.
I feel your pain and inside the shadow.
I feel...

Over and over again...
(My hands are searching for your breath)
Shinkirou na kanade ru uta
It's Lorelei... It's Lorelei... It's Lorelei... Waiting for the
end.

I feel endless fate.
I feel your pain and inside the shadow.
I feel endless fate.
I feel your pain and inside the shadow.
I feel...

Over and over again...
(My hands are searching for your breath)
Shinkirou na kanade ru uta
It's Lorelei... It's Lorelei... It's Lorelei... Waiting for the
end.

Over and over again...
Shinkirou na kanade ru uta
It's Lorelei... It's Lorelei... It's Lorelei... Waiting...

Over and over again...
(My hands are searching for your breath)
Shinkirou na kanade ru uta
It's Lorelei... It's Lorelei... It's Lorelei... Waiting for the
end.
