

REVOLVER BLAST

DELUHI

Nothing in believe and everything is wrong
Nothing in real and everything is alone
I wanna hear nothing and say nothing
Reach for the end 'cause everything is wrong

Can't see the truth
I'm going crazy now
Pull a trigger
Shoot a REVOLVER BLAST

Nothing in believe and everything is wrong
Nothing in real and everything is alone

Can't see the real
I'm going crazy now
Pull a trigger
