

If you go out tonight  
be aware the people there,  
especially with the man  
with the records in his hand.

He used to hide behind  
the hateful smoke of his cigar.  
He persuades you to go to his home  
if he thinks you are a star.

Could you please not phone me again,  
I've got my own plans for today.

He's just a "freak" that I met yesterday,  
he's just a "freak" that I met yesterday.  
He's just a "freak" that I met yesterday,  
he's just a "freak" that I met yesterday.

Ignore him when he says,  
he's got everything you need.  
He gives you to receive  
things you don't want to give.

Could you please not phone me again,  
I've got my own plans for today.

He's just a "freak" that I met yesterday,  
he's just a "freak" that I met yesterday.  
He's just a "freak" that I met yesterday,  
he's just a "freak" that I met yesterday.
