

# You've Got Too Much (we've Got Nothing At All)

Deluxe

You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all,  
we've got nothing at all.

You won't save us with your money  
and it seems as if you won't find us a job.  
Won't appreciate our creations  
but I hate all those stupid things you love.

You've got too much.  
We've got nothing at all.

You support stupid inventions,  
you create and then we've got to destroy.  
God is an answer for your problems  
but I can't believe and I can't share your joy.

You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all.

You're always showing all your fortune,  
and it's true, you live another reality.

Could we ever have great expectations?  
Could we ever find job security?

You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all.  
You've got too much.  
We've got nothing at all.

You won't save us with your money  
and it seems as if you won't find us a job.

but I hate all those stupid things you love.
