

Talkin Out Da Side Of Ya Neck

Dem Franchise Boyz

I know you sayin' somethin', what?
I can't hear you
You talkin' 'bout nothin', what?
I can't hear you

See you need to change the subject, what?
I can't hear you
If you ain't talkin' money
I ain't really tryna hear you

Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck

They like wait, wait, now you can't do that yet, what?
They don't got cashed dollar they got another check, what?
And we don't got the room keys
And I think the girl out to the movies

You can keep it pimpin' dog
My piece and my girl get to rippin' y'all
You he got white, he got green, he got piece
If you ain't talkin' money then you talkin' Chinese

I know you sayin' somethin', what?
I can't hear you
You talkin' 'bout nothin', what?
I can't hear you

See you need to change the subject, what?
I can't hear you
If you ain't talkin' money
I ain't really tryna hear you

Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck
Oh, oh, talkin' out the side of your neck

We ain't gettin' money, you niggas talkin' crazy
We shippin' out, shippin' in, gettin' it in daily
Keep a main hustla and a tax writer successful with the rap
But I still get the white off

Ain't talkin' money so none of y'all phase me
I'm gettin' mine in, watchin' mine stack up
You need to do the same thing and cut your small [Incomprehensible]

But if they ain't talkin' money
It ain't nothin' 'bout me

I know you sayin' somethin', what?
I can't hear you
You talkin' 'bout nothin', what?
