Yeah...  
No matter where you are in the world  
You're always gonna be my girl  
Uh-uh

Thought that we couldn't separate  
From each other (separate from each other)

You're so close to my heart  
But you're so far (you're so far away)  
But no matter where you are you're my boo  
Oh nooooo...

Far away  
Didn't want it  
To be in this way  
I know there's gonna be a better day  
It's ok, it's ok  
You're so far  
Far away  
Didn't want it  
To be in this way  
I know there's gonna be a better day
