

Standing Soldier

Demarco

Yeah demarco
Ghetto youths

Dem nuh want we reach nuh weh
Dem only wah we listen weh dem teach we seh
Mister MP so you mean to say
Ghetto youths nuh fi live no way

Dem waan we fi fall
But da nah happen none at all
Dem waan we fi fall
Raise up the food and tek di dancehall
Man a standing soldier
You nah see we bawl
Man a real standing soldier
All when mi back against di wall
Man a real standing soldier
We nah bow down and crawl
Man a real standing soldier
Jah jah protect us all

Every day another youth a dead inna di ghetto
Stop di violence and bloodshed inna di ghetto
We nuh waan fi see deh more coke head inna di ghetto
Cyaan be afford peace a bread inna di ghetto
Help poor people treat dem right
Nurture di youths don't give dem a fight
Pan poverty di bigger heads need fi shed some light

Dem waan we fi fall
But da nah happen none at all
Dem waan we fi fall
Raise up the food and tek di dancehall
Man a standing soldier
You nah see we bawl
Man a real standing soldier
All when mi back against di wall
Man a real standing soldier
We nah bow down and crawl
Man a real standing soldier
Jah jah protect us all

Wah decision poor people fi mek crime rate escalate a di next thing a death
Now di concret jungle u haffi watch weh you step
The worst is to com, you see nothing yet
Mi see it everyday mi see it pon di tv
Mi nuh waan no more shelta seh missing we
Mister government stop dissing we
And set di people free
FREE

Dem waan we fi fall
But da nah happen none at all
Dem waan we fi fall
Raise up the food and tek di dancehall
Man a standing soldier
You nah see we bawl

Man a real standing soldier
All when mi back against di wall
Man a real standing soldier
We nah bow down and crawl
Man a real standing soldier
Jah jah protect us all

Dem nuh want we reach nuh weh
Dem only wah we listen weh dem teach we seh
Mister MP so you mean to say
Ghetto youths nuh fi live no way

Dem nuh want we reach nuh weh
Dem only wah we listen weh dem teach we seh
Mister MP so you mean to say
Ghetto youths nuh fi live no way
