Cast Iron Arm

Demented Are Go!

The other night me and my girl went bowling The other night me and my girl went bowling Went to a place called Joes that's where everybody goes

When we walked in she turned every face in the place When we walked in she turned every face in the place A cool number jumped up and made a play for my girl I said fuck off and die!

I said don't mess with me cos I got a cast iron arm I said don't mess with me cos I got a cast iron arm Oh when you you mess with me that only rings my alarm

Well the music was a-rockin and the place was a-jumpin with jive Well the music was a-rockin and the place was a-jumpin with jive

I said don't mess with me cos I got a cast iron arm I said don't mess with me cos I got a cast iron arm Oh when you you mess with me that only rings my alarm

I said don't ... I said don't mess with me cos I got a cast iron arm Oh when you you mess with me that only rings my alarm
