

High Heels

Demented Are Go!

High heels comin' back in fashion
High heels gonna stamp on your face
High heels comin' back in fashion
High heels they're all the rage

High heels
High heels
High heels

High heels clicking down the pavement
High heels comin' down the street
High heels strutting down the sidewalk
High heels walk over me

High heels comin' back in fashion
High heels they're all the rage
High heels comin' back in fashion
High heels stamp on your face

Six inch heels and fishnet stockings
Eight foot whore i roam the streets
If you hear my high heels a clackin'
You'd better run from me

High heels comin' back in fashion
High heels they're all the rage
High heels ain't no gary glitter
High heels gonna stamp on your face
