

Pervy in the Park

Demented Are Go!

Pervy in the park, Pervy in the park
Pervy in the park on a sunday mornin'
Pervy in the park, Pervy in the park
Pervy in the park on a hot summers day

Mr Pervy goes to the park
Mr Pervy gonna stay all day
Bottle of scotch in his pocket
Takes a swigg he wants his wicked way

Lovely leggy baby blue
Want my wicked way with you
Love is like a flower
Smell it and you feel alright
C'mon pretty baby
Wanna baby all your body tonight

Hey there who's that chick?
Swing a little higher baby
C'mon what's your name
Pink little panties made me cum again
Bim bam Pervy's the man
Just swing a little higher baby now
C'mon don't be shy
Just swing a little higher baby

Lovely sexy baby delight
Wanna take you home tonight
Cover you in flowers
Touch you and hold you tight
C'mon pretty baby
Wanna be your Pervy papa tonight
