

Surf Ride to Oblivion

Demented Are Go!

Surf ride to oblivion
My life ain't got no where

Take a toke of your fucking smoke
And blow your fucking brains

Surf ride to oblivion
Surf ride to oblivion

Surf ride to oblivion
my life ain't got no where

...that ain't my only gain

Surf ride to oblivion
Surf ride to oblivion

Surf ride to oblivion
My girlfriend is a slut

Ain't no matter what you do
We hate your fucking guts

Surf ride to oblivion
Surf ride to oblivion

Surf ride to oblivion

Fuck this world
It's a fucked up place
