

# Welcome Back To Insanity Hall

Demented Are Go!

Welcome back to the insanity hall  
Once you're in there the gates are closed  
You can struggle you can fight  
Once you're in there, there is no getting out

Staring at the moonlight through rusty iron bars  
Eyes bulge with madness  
but your mind is in the stars,  
doctor gives sedation  
It's mind manipulation,  
why you went insane, is only who knows

Climbing up the walls, clawing down the doors  
There's no way out, there's no way out, there's no way out  
But the doctors coming

Mind is so fractured in this padded cell again  
Picking up the pieces for why you went insane  
Straight jacket holds you so tight  
Take another pill, everything will be all right

Climbing up the walls, clawing down the doors  
There's no way out, there's no way out, there's no way out  
But the doctors coming

Welcome back to the insanity hall,  
once you're in there the gates are closed  
You might scream you might cry,  
once you're in there, there's no gettin out

Climbing up the walls, clawing down the doors  
There's no way out, there's no way out, there's no way out  
But the doctors coming

Welcome back to the insanity hall,  
once you're in there the gates are closed  
You can scream you can cry,  
once you're in there, there's no gettin out

Welcome back to the insanity hall  
Welcome back to the insanity hall  
Welcome back yeah  
Welcome back yeah  
Welcome back to the insanity hall
