

Where You Gonna Go

Demented Are Go!

The sun don't shine in my backyard anymore
cuz lately it seems like my brain had turned to coals.
Hey, Where you gonna go?
Hey, I don't wanna know

My girlfriends gone N' left me for another guy
I don't know the reason can not understand why
Hey, Where you gonna go?
Hey, I don't wanna know

People, they don't like me
People, send me away
Hey, Where you gonna go?
Hey, hey, hey, hey, hey,
I don't wanna know

Hey, Where you gonna go?
Hey, I don't wanna know yea
Hey, hey, hey, hey, hey,
Hey, hey, hey, hey, hey,
Hey, hey, hey, hey, hey,
Hey, Where you gonna go?
