

Harvester Of Christian Souls

Dementor

Believers of the holy lie
Mindless sheeps , followers
Feel hell's wrath upon you
Time to die!!

Losing faith , seeing clearer
Christ's words you did mirror
Now in death you realize
The holy book is full of lies

"said your prayers?"
You had better start!!
Clutch your cross as you're ripped apart
Impaled bodies - gaping holes
The harvest is just beginning
- We need more Christian souls!!!

No reply ? no surprise!!
Art thou the god of lies??
Pathetic follower - yes he still may have you
As only the strong are wanted in hell
