

## Silence (Chamber Version)

Demether

[Bonus track]

[Text & music: D. Deuric]

Cold... winter, ice and snow  
Sound... weeping wind that blows  
Me... standing on the sacred ground

Night... at the ancient graveyard  
Soul... looking for a saviour  
Eyes... searching for a girl from a distant time

I don't even know her name  
But her silence's tearing me apart  
Petals of her flower blowen  
Are lying underneath the grass

And she past away so young  
Under veil of secrets long ago  
Like a snowflake on the palm  
Her life was autumn leaf that falls
