

# Body Say

Demi Lovato

If I had it my way, I would take you down  
If I had it my way, I would turn you out  
And if my body had a say, I would come again  
Scared of what I might say, 'cause I'm at the edge

And our eyes are crossing paths across the room  
There's only one thing left for us to do

You can touch me with slow hands  
Speed it up, baby, make me sweat  
Dreamland  
Take me there 'cause I want your sex  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you  
If my body told the truth  
Baby, I would do  
Just what I want to

If I had it my way, I would take the lead  
And if I had it my way, I would take you deep  
If my body had a say, I'd get it off my chest  
Show you all the red lace underneath this dress

And our eyes are crossing paths across the room  
There's only one thing left for us to do

You can touch me with slow hands  
Speed it up, baby, make me sweat  
Dreamland  
Take me there 'cause I want your sex  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you  
If my body told the truth  
Baby, I would do  
Just what I want to

My mind's getting in the way  
Can't feel what my body say  
I'mma tell you anyway  
I'mma tell you anyway  
My mind's getting in the way  
Can't feel what my body say  
I'mma show you anyway  
I'mma show you anyway

There's only one thing left for us to do  
Oh, you can

You can touch me with slow hands, yeah  
Speed it up, baby, make me sweat  
Dreamland  
Take me there 'cause I want your sex  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you

If my body told the truth  
Baby, I would do  
Just what I want to

You can touch me with slow hands  
Dreamland  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you  
If my body told the truth  
Baby, I would do  
Just what I want to, want to, want to
