

# Brand New Day

Demi Lovato

Last year's old news  
I'm breaking out my six-string  
And playin' from my heart

It's not Deja Vu  
Cuz it's another summer  
That's how this chapter starts

I'm gonna run so fast till I can't breath  
Come along and follow me  
Let's make some noise like we never did before

It's a brand new day  
(Don't you see me?)  
Changin' up my ways  
(So completely)

This time Imma sing and your gonna hear it  
This time Imma show you that I got the spirit  
It's a brand new day  
And I'm feeling good  
And I'm feeling GOOD!

So drama free (so drama free)  
I'm all about the music  
I just wanna sing

Watch me live out my dreams  
I'm gonna rock that stage  
And give my everything

I'm gonna dance until my feet can't move  
Come along get in the groove  
Let shine so brighter then we ever did before

It's a brand new day  
(Don't you see me?)  
Changin' up my ways  
(So completely)

This time Imma sing and you're gonna hear it  
This time Imma show you that I got the spirit  
It's a brand new day and I'm feeling good

(What cha' gonna do?  
What cha' gonna do?)  
I'm gonna laugh through the summer with you

(Who you gonna be?  
Who you gonna be?)  
You'll just have to watch me carefully

(Where you gonna go?  
Where you gonna go?)  
Anywhere my heart wants me to go

Imma sing, Imma dance, Imma ride, Imma play, Imma try my hand at everything

Cuz it's a brand new day  
(Don't cha' see me?)  
Changin' up my ways  
(So completely)

This time Imma sing and you're gonna hear it  
This time Imma show you that I got the spirit  
Cuz it's a brand new day (It's a brand new day, It's a brand new day)  
And I'm feeling good, feeling good, and I'm feeling GOOD!
