

Catch Me

Demi Lovato

1. Before I fall too fast

Kiss me quick
But make it last
So I can see how badly
this will hurt me
When you say goodbye
Keep it sweet
Keep it slow
Let the future pass
But don't let go
But tonight I could fall to soon
to this beautiful moonlight

R1:But you're so hypnotizing

You got me laughing while I sing
You got me smiling in my sleep
And I can say this I'm unraveling
And your love is where I'm falling
So please don't catch me

2. See this heart, don't settle down

Like a child running
scared from a clown
I'm terrified of what you'll do
My stomach screams just
when I look at you
Run far away
So I can breath
Even though your far
from suffocating me
But I can't set my hopes to high
Cuz every hello ends with a goodbye

R2:But you're so hypnotizing

You got me laughing while I sing
You got me smiling in my sleep
And I can say this I'm unraveling
And your love is where I'm falling
But please don't catch me

*: Now you see

Why I'm scared
I can't open up my
heart without a care
So here I go
It's what I feel
And for the first time in
my life I know it's real

R3:But you're so hypnotizing

You got me laughing while I sing
You got me smiling in my sleep

And I can say this I'm unraveling
And your love is where I'm falling
So please don't catch me
And when I'm out?

please don't break me
I'm giving up
 E(hold)
So just catch me.
