

# Daddy Issues

Demi Lovato

(Go)  
I call you too much  
You never pick up  
Except when you wanna fuck  
And I can't get enough  
You're the man of my dreams  
'Cause you know how to leave  
But I really believe  
that you'd change it for me

You're unavailable  
(You're unavailable)  
I'm insatiable

Lucky for you, I got all these daddy issues  
What can I do?  
I'm going crazy when I'm with you  
Forget all the therapy that I've been through  
Lucky for you  
I got all these daddy issues  
(All these daddy issues)  
Daddy issues, uh  
Daddy issues, uh

Don't know how to commit  
But I might want your kid  
And after our first kiss  
Got your name on my wrist  
Yeah, I get a little obsessive  
A little aggressive, a little bit too invested  
And whatever you want, whenever you want  
That's what you get 'cause

You're unavailable  
(You're unavailable)  
I'm insatiable

Lucky for you  
I got all these daddy issues  
What can I do?  
I'm going crazy when I'm with you  
Forget all the therapy that I've been through  
Lucky for you, I got all these daddy issues  
(All these daddy issues)  
Daddy issues, uh  
Daddy issues, uh

Never enough  
Addicted to love with the wrong one

Lucky for you, I got all these daddy issues  
(All these daddy issues)  
What can I do?  
I'm going crazy when I'm with you (Crazy)  
Forget all the therapy that I've been through  
(That I've been through)  
Lucky for you (Lucky for you), I got all these daddy issues

(All these daddy issues)  
Daddy issues, uh  
(All these daddy issues)  
Daddy issues, uh  
(All these daddy issues)  
Daddy issues, uh  
Daddy issues, uh
