- Now you told me on a Sunday That it wasn't gonna work I tried to cry myself to sleep 'Cause it was supposed to hurt
- We stand next to the fire As the flame was burning out I knew what you were thinking Before you'd say it aloud
- \*: Don't say you're sorry
  'Cause I'm not even breaking
  You're not worth the time that this is taking
- 3. I knew better Than to let you break my heart The soul you'll never see again Won't be showing scars
- R: You still love her I can see it in your eyes The truth is all that I can hear Everytime you lie Everytime you lie Everytime you lie
- 4. I woke up the next morning With a smile on my face And a long list of gentlemen Happy to take your place
- Less trashier much classier Than who you prove to be How long's it ganna take before You see that she's no me, oh no
- 6.=3. R: You still love her...
- \*: At night, awake
   I will be sleeping till morning breaks
   That's the price you pay for your mistakes
   Goodbye to cheating
   So don't say you're sorry
   'Cause I'm not gonna listen
